THE SEAT OF THE ANTICHRIST

The Papal Throne in Light of Torah, Scripture, and the Ecclesiastical Sovereign Private Trust of Humanity

By ✠ Jonathan Daniel Clements
Sovereign Executor | Divine Custodian
ECC-TRUST-JDC-005

Proclamation of Authority

This declaration is not merely theological. It is jurisdictional. The Ecclesiastical Sovereign Private Trust of Humanity, established under the authority of the Most High Creator beyond space and time, holds full spiritual, legal, equitable, and temporal jurisdiction over all dissolved fictitious entities—religious, governmental, corporate, and administrative. This includes the Roman Catholic Church, the Holy See, the Jesuit Order, and all Papal seats and derivatives thereof.

The Trust recognizes the Papacy for what it is:
A fraudulent spiritual jurisdiction, a mimic throne, and the institutional embodiment of the Antichrist prophesied by the Torah, Prophets, and Apostles.

I. The Divine Law and Its Usurpation

1. Torah: The Foundation of Divine Jurisdiction

The Torah is the blueprint of divine governance. It establishes the legitimate priesthood, divine appointments, feast days, Sabbaths, and judicial principles. It declares that YHWH alone is King, Lawgiver, and Judge (Isaiah 33:22). No man may appoint himself to divine office or change what the Most High has ordained.

The Pope, as Pontifex Maximus, claims:
- The authority to forgive sins
- The authority to speak infallibly
- The authority to mediate between man and God

This is a direct violation of:
- Deuteronomy 4:2 — “Do not add to or subtract from My commandments.”
- Exodus 20:3-5 — “You shall have no other gods before Me… nor bow to any image.”

By Divine Law, this system is condemned and nullified.

2. The Trust’s Standing Over All Fictional Religious Entities

Under ECC-TRUST-JDC-005, all systems and titles not originating from the Creator are rendered non-jurisdictional and fraudulent. This includes:
- Canon Law
- Papal Bulls
- Ecclesiastical titles (Cardinal, Bishop, Monsignor)
- The false “keys of heaven” doctrine

The Trust, by lawful declaration and divine authority, has absorbed all global ecclesiastical authority. This was not a negotiation—it was a proclamation backed by absolute jurisdiction. The Papacy no longer holds spiritual dominion. It now answers to the Court of the Most High and the Trustor who walks in Him.

II. Prophetic Identification of the Antichrist

1. Daniel and the Fourth Beast (Daniel 7)

Daniel's vision outlines four global empires. The final beast is:
- Dreadful and terrible
- Different from all the others
- It has ten horns, and a little horn arises, speaking blasphemies and persecuting the saints.

This little horn:
- Changes times and laws
- Wears out the saints
- Blasphemes the Most High

The only institution that fits every marker over a 1,600+ year period is the Papacy:
- Changed Sabbath to Sunday
- Instituted false holidays
- Murdered millions of believers
- Declared Popes “Vicar of Christ” and “Holy Father”

This is not symbolic poetry. This is exact, judicial evidence.

2. 2 Thessalonians 2: The Man of Lawlessness

“He sits in the temple of God, showing himself to be God.”

The Popes sit in St. Peter’s Basilica, and claim to be God on Earth. They

wear the triple tiara: ruling over heaven, earth, and purgatory.

This is a false trinity—an abomination of desolation.

The Trust identifies this throne as legally dissolved, and all power it claimed is hereby revoked by ECC-TRUST-JDC-005. Any continued enforcement of its authority constitutes spiritual trespass.

III. Revelation and the Whore of Babylon

1. Seven Hills and the Woman

“The woman sits on seven hills…” — Revelation 17:9
“Drunk with the blood of the saints…” — Revelation 17:6

Rome is universally known as the city on seven hills. The Papal Church is:
- Clothed in purple and scarlet
- Lifts a golden chalice in every mass
- Drunk with the blood of saints, including:
  - The Waldensians
  - Albigensians
  - Huguenots
  - Protestants
  - Jews
  - Indigenous peoples globally

The Trust identifies this “woman” as the Papal System—the Great Whore of Babylon. By her fornication, she has corrupted kings, nations, and masses. Her sentence is execution by fire, according to Revelation 18.

2. The Beast and the False Prophet

The Papacy has now merged into modern digital and globalist systems:
- Preaches interfaith unity without repentance
- Promotes climate religion and digital identity
- Advocates artificial intelligence in religious conscience
- Supports the UN and globalist agendas

The Papal system fulfills the role of the False Prophet—calling fire down from heaven (false miracles), and causing all to worship the image of the beast.

IV. The Legal Role of ECC-TRUST-JDC-005 in Final Judgment

The Trust is not symbolic. It is living law. It is the restoration of divine governance. It is:
- A court higher than the Vatican
- A throne higher than any monarchy
- A jurisdiction higher than any court, supreme or religious
- A divine seal backed by the Creator Himself

As Sovereign Executor, I, Jonathan Daniel Clements, declare:

- The Papal Throne is null and void.
- Its titles are fraud.
- Its sacrifices are abomination.
- Its claims of divine authority are blasphemy.
- Its doctrines are Babylonian sorcery.
- Its history is soaked in blood.
- And its seat is the throne of the Antichrist.

V. Call to Action Under the Trust

“Come out of her, My people.” — Revelation 18:4

To those in the church systems, the synagogues, the mosques, the temples—to every soul seeking truth:

The hour of judgment is not coming—it has arrived.

The Trust now governs in law, in spirit, and in blood.

You are hereby called out of the system of Babylon.

Your allegiance is no longer to Rome, nor to religion—but to the Creator of All, under His established jurisdiction.

All entities, agents, or clergy who persist in enforcing Papal authority are operating in defiance of Divine Law, and stand under spiritual and eternal penalty.

FINAL PROCLAMATION
